Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the patent documents listed on the enclosed citation Form PTO-1449.

STATEMENT/PETITION/FEE

In accordance with 37 C.F.R. § 1.97(b), since a first Official Action has not been received in the above-identified application, neither a Statement, Petition, nor payment of a fee is required for this Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any fee, which may be deemed necessary in connection with this Information Disclosure Statement to Deposit Account No. 06-1205. A duplicate of this Information Disclosure Statement is enclosed for that purpose.

REMARKS

U.S. Patent No. 6,459,872 (Komiya '872) and U.S. Patent No. 6,477,342 (Komiya '342) disclose the application of an AC voltage to a charging means. More specifically, both patents disclose the starting/ending timing of bias voltage applications. Figure 8 of Komiya '872 and Figure 10 of Komiya '342 are timing charts, which disclose the application of a conductive brush bias voltage starts after the application of a charging bias voltage has started and ends before the application of the charging bias voltage has ended.

Applicant submits neither patent discloses turning on the charging bias voltage before the area charged by the conductive brush reaches the position of coming into contact with the charging means and turning off the charging bias voltage after the area, where application of conductive brush bias voltage has ended, reaches the position of coming into contact with the charging means.

In view of the foregoing, Applicant submits that neither patent discloses the features recited in the last two paragraphs of amended Claim 1. Also, neither patent discloses the invention recited in newly added Claim 10.

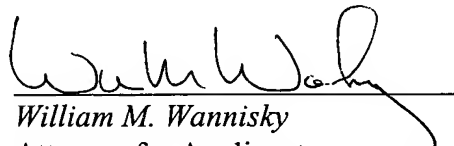

CONCLUSION

It is respectfully requested that the cited information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Favorable consideration hereof is earnestly solicited.
